Serving the Kentucky Counties of
Jefferson, Bullitt, Oldham, Shelby,
Franklin, Spencer, Henry and Trimble
8310 Westport Road
Louisville, KY 40242
PH: 502/210-5400
FAX: 502/210-5499

ROADSHOW for the week beginning July 19, 2010

Inclement weather or other unforeseen circumstances may occur, so the information below is strictly of an advisory nature and is subject to change with no notice.

Pothole patching, sweeping, drain & ditch cleaning, pavement marking, and maintenance crews may work on major interstates in the Louisville Metro area only during non-peak daytime hours and at night. Motorists should watch for roadside maintenance and pavement marking crews on interstates and highways throughout the rest of the district on a daily basis.

Jefferson County:

Interstate 65: Lane closures and delays are possible in both directions between the Bullitt/Jefferson County line and ½ mile north of the Outer Loop (mile points 123.1 and 127.5) due to concrete pavement repairs. **The roadway may be reduced to two lanes weeknights Monday – Friday from 9:00 p.m. in the evening until 5:00 a.m. the following morning.**

Southbound Interstate 265/KY 841: Exit ramp to northbound Interstate 71 will be **closed on Tuesday, July 20th from 7:00 p.m. until 12:00 a.m.** to allow for shoulder repairs.

Westbound Interstate 64: Construction delays possible between Hurstbourne Parkway and I-264 (mile points 15.0 and 12.2) due construction of auxillary lane. **The speed limit will be reduced to 45 MPH in the work zone.**

Interstate 265: Lane closures and delays possible between the Seatonville Road overpass and Taylorsville Road (mile points 18.8 and 23.3). The roadway may be reduced to one lane **weeknights Monday – Thursday from 7:00 p.m. until 6:00 a.m. the following morning. On weekends, lane closures are possible from 7:00 p.m. on Friday until 6:00 a.m. on Monday.** The speed limit in the work zone will be reduced to 55 MPH.

Interstate 64: Lane closures and delays possible between I-265 and the Jefferson/Shelby County line (mile points 18.8 and 23.9) due to roadway widening. Traffic stoppages are possible in each direction daily between 9:00 a.m. and 3:00 p.m. during blasting operations. Westbound I-64 traffic lanes are split with permanent barrier wall between the two travel lanes. All traffic exiting westbound I-64 to I-265 must be in the right lane at the beginning of the lane split. **Motorists should be aware that the shoulders are limited and narrow at the bridge crossings. Lanes will be restricted to 12 feet in width.** The speed limit is reduced to **55 MPH** in the construction zone and this is a **double fine work zone.** Construction is scheduled for completion in the fall of 2010. As part of this project, **Clark Station Road is closed at the I-64 overpass. The road is closed until November for removal and replacement of the bridge. Motorists should follow the signed detour via US 60 to Conner Station Road (in Shelby County) to KY 148.**

KY 1531 (Eastwood-Fisherville Road): The roadway will be closed at the Interstate 64 underpass (mile point 8.1) due to removal of an existing structure as part of the I-64 widening. **The roadway will be closed Tuesday, July 20th through Friday, July 23rd each evening from 10:00 p.m. until 7:00 a.m. the following morning.** Motorists should follow the signed detour via Gilliland Road.

Interstate 264/Interstate 64 interchange: Shoulder closures and delays possible at the ramp to westbound I-64 approaching the Sherman Minton Bridge (mile point 0.1) due to ramp replacement.

US 31W (West Main Street and South 22nd Street): Lane closures and delays possible between US 150 and South 6th Street (mile points 19.5 and 21.7) due to roadway resurfacing. Lane closures are scheduled **weekdays from 9:00 a.m. until 3:00 p.m. and 6:00 p.m. until 10:00 p.m.** Lane closures are also possible on **Saturdays from 8:00 a.m. until 10:00 p.m. and on Sundays from 2:00 p.m. until 10:00 p.m.**

US 31 (Clark Memorial Bridge): Lane closures possible from 9:00 a.m. until 3:00 p.m. due to bridge repairs.

US 31W (Dixie Highway): Roadway will be **closed** at the railroad crossing near Appleton Lane (mile pint 16.2) from **7:00 p.m. on Friday, July 16th until 5:00 a.m. on Monday, July 19th** due to railroad crossing repairs. Motorists should follow the signed detour.

KY 2051 (Lees Lane): Roadway will be **closed** at the railroad crossing near Cane Run Road (mile point 2.2) from **9:00 a.m. on Monday, July 19th until 5:00 a.m. on Wednesday, July 21st** due to railroad crossing repairs. Motorists should follow the signed detour.

US 31W (Dixie Highway): Lane closures and delays possible at the bridge over the Salt River (mile point 0.03) due to bridge repairs. The speed limit is reduced to 45 MPH in the work zone.

KY 61 (Preston Highway): Lane closures and delays possible between the Jefferson/Bullitt County line and South Park Road (mile points 0.0 and 2.45) due to roadway resurfacing. Lane closures are scheduled **weeknights from 7:00 p.m. 8:00 p.m. until 6:00 a.m. the following morning.**

KY 155 (Taylorsville Road): Lane closures and delays possible at the intersection with Landherr Drive (mile point 8.2) due to construction of the Blankenbaker Parkway extension.

KY 864 (Poplar Level Road): Lane closures and delays possible between Interstate 264 and Eastern Parkway (mile points 11.3 and 13.7) due to roadway resurfacing. Lane closures are scheduled **weeknights from 7:00 p.m. each evening until 6:00 a.m. the following morning.**

KY 913 (Blankenbaker Parkway): Lane closures and delays possible at the intersection with Blankenbaker Access Drive (mile point 0.9) due to roadway construction.

KY 1065 (Outer Loop): Lane closures and delays possible between Third Street Road and National Turnpike (mile points 0.0 and 2.5) due to roadway resurfacing. Lane closures are scheduled **weeknights from 7:00 p.m. each evening until 5:00 a.m. the following morning.**

KY 1447 (Westport Road): Lane closures and delays possible between Hubbards Lane and I-264 (mile points 0.9 and 1.9) due to roadway widening. Speed limit on Westport Road has been **reduced to 25 MPH** in the construction zone.

Old LaGrange Road (CR 1010): Roadway is **closed in Lyndon between United States Post Office and Ormsby Road through mid-August** due to bridge replacement. Motorists should follow the signed detour via Ormsby Road, Westport Road and Lyndon Lane.

Echo Trail (CR 1047): Roadway is **closed just north of KY 1819** due to bridge replacement. Motorists should follow the signed detour via Old Heady Road and Brush Run Road.

Bullitt County:

Interstate 65: Lane closures and delays are possible in both directions between the KY 61 underpass and the Bullitt/Jefferson County line (mile points 118.5 and 123.1) due to concrete pavement repairs. **The roadway may be reduced to one lane weeknights Monday – Friday from 9:00 p.m. in the evening until 5:00 a.m. the following morning.**

Interstate 65: Lane closures and delays possible in both directions between mile point 110.7 in Bullitt County and mile point 102.1 in Hardin County due to concrete pavement repairs. **The roadway may be reduced to one lane weekdays Monday – Friday from 9:00 p.m. until 5:00 a.m. the following morning.**

KY 480 (Cedar Grove Road): Lane closures and delays possible between KY 61 and KY 1604 (mile points 0.0 and 5.1) due to roadway resurfacing. Lane closures are scheduled **weeknights from 7:00 p.m. each evening until 5:00 a.m. the following morning.**

KY 1494 (Beech Grove Road): Roadway is **closed** at the bridge over Long Lick Creek (mile point 5.5) due to bridge replacement. Motorists should detour the area via KY 61.

Franklin County:

US 60 (Capital Avenue Bridge): Lane closures and delays possible on the bridge (mile point 8.4) due to bridge repairs and painting. One lane of traffic in each direction will be maintained.

US 421 (Leestown Road): Construction delays are possible between Chenault Road and US 60 (mile points 1.5 and 3.0) due to roadway widening. **Chenault Road will be closed at the intersection with US 421 from 7:00 p.m. on Friday, July 23rd until 6:00 a.m. on Monday, July 26th.** Intersection with Isaac Shelby Circle (mile point 2.4) is closed and motorists should follow detour via Copper Leaf Road. Construction is scheduled for completion in the fall of 2010.

KY 420 (High Street): Lane closures and delays possible at the intersection with East Main Street due to signal work. Crews will be working in the overnight hours.

Henry County:

US 421: Roadway will be closed at the bridge over Drennon Creek (mile point 9.37) **beginning July 19th** due to bridge replacement. Motorists should follow the signed detour via KY 241, KY 1359 and KY 22. Construction is scheduled for completion in mid-August.

KY 157: Roadway will be **closed** at mile point 8.5 on **Wednesday, July 21st from 9:00 a.m. until 3:00 p.m.** to allow for cross-drain replacement.

KY 1360: Lane closures and delays possible between Hickory Corner Road and KY 202 (mile points 2 and 7) due to pavement patching.

KY 22: Lane closures and delays possible at the Kentucky River Bridge near the Owen County line (mile point 22.4) due to construction of a new bridge. Lane closures and delays are also possible on KY 355 in Owen County at mile point 6.6.

Oldham County:

Routine maintenance

Shelby County:

Interstate 64: Construction delays possible between the Jefferson/Shelby County line and the Simpsonville exit (mile points 23.2 to 28.1) due to roadway widening. The speed limit is reduced to **55 MPH** in the construction zone. Construction is scheduled for completion in the summer of 2011.

US 60 (Main Street and Washington Street): Shoulder closures and delays possible between Ashland Avenue and Hi Point Road (mile points 9.7 and 11.19) due to replacement of sidewalk ramps. **Work will be performed in the evenings from 9:00 p.m. until 6:00 a.m. the following morning.**

Shelbyville Bypass construction: Shoulder closures and lane closures possible at US 60 and KY 55 due to bypass construction.

Spencer County:

Routine maintenance

Trimble County:

KY 625 (Mt. Pleasant Road): Roadway is **closed** between Pryor's Fork and Corn Creek (mile point 5.0 and 5.6) due to replacement of two culverts. Motorists should follow the signed detour. Construction is scheduled for completion in mid-August.

KY 316, KY 1335: Lane closures and delays possible due to pavement patching.
